D. BACKGROUND AND EXPERIENCE (max 5000 characters for each section)	
<p>Please briefly present the partner organisation. (<i>e.g. its type, size, scope of work, areas of specific expertise, specific social context and, if relevant, the quality system used</i>).</p>	<p>Liosdoire Computers Ltd., founded in 2002, is a not-for-profit SME based in County Kerry, Ireland. Our core areas of work include:</p> <ul style="list-style-type: none"> • Adult Education and Training: Providing in-person and online (distance) professional development and informal, non-formal education initiatives in emerging digital, AI, VR/XR, and pedagogical innovations for adult learners. • EdTech Specialisation: Supplying and installing interactive display hardware (SMART boards, panels), audio systems, AI-based tools, and immersive VR/AR/XR solutions for education and training. • Quality Assurance: Our motto, “Security, Governance and Safety,” underpins our operations, ensuring robust quality standards that align with EU Erasmus+ Adult Education guidelines (inclusion, equity, diversity, and excellence). We are accredited by both SMART Technologies in Canada and Education Support Centres Ireland. • Accessibility and Inclusiveness: Committed to designing and delivering user-friendly, inclusive, and adaptive, and informal, non-formal learning experiences for adult learners, including those from disadvantaged backgrounds or with special needs. <p>We operate across all 32 counties of Ireland, delivering training solutions tailored to clients’ infrastructural and adult education/pedagogical requirements. Our staff comprises experts in pedagogical innovation, legal and GDPR, curriculum design for adult and SEND learners, and technology integration, ensuring high-quality, personalised service for every partner and adult learner.</p>

What are the activities and experience of the organisation in the areas relevant for this application?

- **Adult Education & Staff Training:** We regularly provide CPD (Continuous Professional Development), upskilling, and retraining, informal, non-formal education programmes for adult educators, administrative staff, and other adult learners. These programmes integrate crucial EU priorities such as digital transformation, sustainability, and social inclusion.
- **AI & VR/XR Division:** Recently established to develop innovative solutions and pedagogies for adult learners, particularly focusing on inclusive and accessible learning experiences. This includes the use of AI-driven content and immersive VR/AR technologies to personalise learning for adults of varying skill levels, backgrounds, and needs.
- **EU Partnerships:** We collaborate with adult education providers, consulates, schools, higher education institutions, and we are actively supporting several ongoing Erasmus+ projects. Our experience includes designing or advising on digital transition strategies, inclusion and diversity, AI and emerging technologies, digitisation, climate action, inclusive pedagogies, and comprehensive non-formal and informal, adult learning solutions, including Special Education needs and disabilities (SEND) that align with European Commission priorities.

What are the skills and expertise of key staff/persons involved in this application?

Mr. Stephen Linnane (CEO / Director)

- 40 years of experience in the education technology sector.
 - Specialised in large-scale installations for schools and adult education centres (audio-visual, interactive technologies).
 - Leads the transition into cutting-edge AI, VR, and immersive technologies for adult and youth training.
 - Platinum Partner Status with SMART.
2. **Dr. Daithí Ó Murchú (International Consultant & Expert Advisor)**
- Over 45 years' experience in Irish & international education, with emphasis on non and in-formal adult learning, teacher education, minority and marginal communities, inclusion, diversity and minority language, change management, governance, sustainability, and emerging technologies (AI, XR, GenAI).
 - Active leadership/partnership in multiple EU-funded projects in adult and school education, climate action, GreenComp, DEAP 2021-2027, AI integration, and inclusive pedagogies.
 - External evaluator and consultant for EU-level initiatives (e.g. StandICT.eu, European Schoolnet, SCIENTIX, IMPACT EdTech).
- **Mr. Stephen Linnane JR. (Legal, Training and Data Protection expert)**
 - Stephen Linnane is a dynamic, young adult educator with a proven track record in both informal and non-formal learning contexts. Drawing on years of hands-on experience delivering interactive workshops and capacity-building sessions, he specialises in designing learner-centred programmes that empower diverse adult audiences. His collaborative approach to training has enabled him to work effectively with international partners, fostering inclusive, cross-cultural learning environments.

	<ul style="list-style-type: none"> ○ Beyond direct facilitation, Stephen brings expertise in project coordination and strategic planning, particularly within the Erasmus+ framework. He has guided various education and training initiatives from concept to execution, demonstrating a robust ability to align project goals with learner needs. Passionate about innovation in adult education, Stephen continues to champion creative methodologies—such as experiential learning and peer-to-peer mentoring—to bolster personal development, social inclusion, and intercultural dialogue. <p>3. Ms. Sharon Kinsella (IPAS and Asylum Seekers’ Expert)</p> <ul style="list-style-type: none"> ○ an established leader in adult education with significant international experience in informal and non-formal educational settings. Her work focuses particularly on serving the International Protection Applicant Service (IPAS) community in Ireland. ○ recently led successful adult education programmes in collaboration with H.E. Dr. Daithi O Murchu, with funding provided by the Department of Integration, Ireland. Her work involves close partnerships with various NGOs in the international protection sector to develop and coordinate accredited training programmes. ○ Recent achievement includes workshops conducted in partnership with the Trinity College Dublin, Access Programme. Ms. Kinsella has also successfully engaged with corporate entities across Ireland, creating alternative employment pathways for adults in the International Protection community. <p>4. Ms. Peggy Linnane, B.Ed. (Adult SEND Expert and Consultant)</p> <ul style="list-style-type: none"> ○ 35 years of teaching experience (ages 4–12, plus special needs and disabilities SEND). ○ Former deputy principal and board-of-management member, now leading AI and VR in adult and special needs education research for Liosdoire Computers. ○ Implements emergent technologies (e.g., smart interactive tools) in adult and special needs classrooms, ensuring inclusive and engaging educational experiences.
